Areas

Mineral Resources, New Energy, Real Estate & Construction Engineering, Civil & Commercial Litigation and Arbitration, Administrative Dispute Resolution

Key Achievements

Ms. Yi specializes in dispute resolution across the real estate and construction, mineral resources, and new energy sectors, encompassing pre-litigation resolution of civil, commercial, and administrative disputes, as well as litigation and arbitration.

Ms. Yi has led numerous high-value, complex, and challenging civil, commercial, and administrative cases, with deep involvement in case analysis and strategy development, drafting legal documents, court appearances, communications, and negotiations. She possesses systematic professional thinking, solid theoretical grounding, a strong sense of responsibility, and excellent communication skills, earning high praise from clients and adjudicating bodies alike. Several cases represented by Ms. Yi have been selected by the Supreme People's Court for inclusion in the "People's Court Case Database."
